# MUNICIPAL INTEGRATION MANAGEMENT

— KIM NRW —

## North Rhine–Westphalia Municipal Integration Management in the Gütersloh District.

North Rhine–Westphalia Municipal Integration Management (KIM) aims to give people with a background of immigration better opportunities for participation and integration.

To achieve that, the Gütersloh District cooperates with municipalities in the district and with other professionals and volunteers working in the field of integration.

KIM promotes cross-border legal cooperation and is designed to lastingly change administrative structures to your benefit.

What challenges and problems can the KIM case managers help you with?

Achieving your personal goals in the Gütersloh District. Finding support schemes, e.g. on the topics of ...

- ... learning German
- ... education and training
- ... studying
- ... working or housing
- ... in the fields of health
- ... family matters or leisure
- ... and more

It is our pleasure to give you long-term support and help with all your questions.
